It is hard to find cows like "Brindle Beauty". She is the total package. And the cow power in this gal's pedigree is unbelievable! Just take a look at her pedigree below. Her dam is a young over 90 inch TTT and over 100 in TH cow who produced 3S Danica, the nearly 90 inch 3 year old cow who sold at the 2017 Legacy Sale for \$380,000!! Her sire was a young promising bull who died before he could prove his worth. Brindle Beauty is a favorite of everyone

Total Horn: 80.5000 on 09/28/2015
TTT: 88.2500 on 10/28/2024
