

TEXOMA
SPRING CLASSIC
2024
LONGHORN SALE

APRIL 27TH ~ DUNCAN, OKLAHOMA
HELD IN CONJUNCTION WITH THE
BATTLE ON THE PRAIRIE HEIFER FUTURITY
APRIL 26TH

**LOOMIS
LONGHORNS**

Pam & Bob Loomis

Loomis Ranch is located in Marietta, Oklahoma. Pam and Bob Loomis have been legends in the Texas Longhorn industry because of the record-breaking animals in their herd including BL Rio Catchit, the first 90" TTT cow, and Cowboy Tuff Chex, the Guinness Book of World Records longest horned bull. The Longhorn cattle are not a business for Pam and Bob, they are a big part of their enjoyment each and every day. They strive for the complete animal, breeding for conformation, horn, color, and disposition. Bob and Pam are also leaders in the horse industry. With multiple championship wins, Bob is in the NRHA Hall of Fame.

**ROCKIN' H
LONGHORNS**

Rockin' H Longhorns was founded in 1988 and is located in Ardmore, Oklahoma. Over the years Dale and Jennifer have raised champions in the show ring, futurities, horn competitions and the sale ring!!!! Dale has been the pedigree reader for several sales over the past 20 years and he was the founder of the TLBAA Horn Showcase. Our goal is to raise the total package female and cross them with the very best bulls in the industry!! Come see us.

We love showing guests our cattle !!!.

Jennifer & Dale Hunt

**HOLY COW
LONGHORNS**

Mikeal & Brandi Beck

Holy Cow Longhorns Mikeal got into longhorns in 2008 when he sold out his commercial herd. He spends countless hours studying genetics, researching progenies, and working with the herd every day. In September 2022 Mikeal and Brandi sold the farm in Springtown, TX and made the move to Asher, OK. Now a full-time rancher Mikeal continues to work, day and night, to create the perfect environment for the longhorns they love. Together, they have a passion for the animals, the lifestyle, and the great friendships they have developed in the industry. They look forward to many more years of growing and improving their herd, participating in futurities and sales, and meeting new breeders and building great friendships along the way. They are always looking for opportunities to partner with others to continually improve the industry and truly feel it's an exciting time to be part of this great industry!

INTERNET VIEWING & BIDDING

Courtesy of Hired HandLive, a Product of Hired Hand Software

- Go to www.HiredHandLive.com and follow the prompts to either log in (if you've used our system before) or become a verified, registered bidder. Please use Google Chrome as your internet browser. Do not use Safari.
- Bidders are required to register for each sale they wish to participate in. Viewers are not.
- New bidders are required to go through a verification process that includes a valid credit card.
- There is no fee to participate or buy online. There is no buyer's premium added to sale prices.
- All winning bidders will receive a notification. At that time it is your responsibility to:
 - contact the sales office and arrange payment. Sales office information can usually be found in the front of your sale catalog and is not the same as Hired Hand Live.
 - arrange hauling/transport
- Hired Hand Live and it's employees are not responsible for helping you arrange payment or hauling. Please complete these tasks on your own.
- Absentee and max bids can be placed ahead of time, if you

are unable to be online live during the sale. These types of bids are blind and are placed automatically by our system in order to purchase the animal at the lowest price possible for you. We do not disclose max bids amount to any sale staff.

- All terms and conditions listed in the sale catalog apply to online bidding. Users also agree to terms and conditions upon signing in to use Hired Hand Live, therefore bidding is a binding contract. Dishonesty in bidding or abuse of the system will result in being banned from future use.
- Contact Hired Hand Software for additional assistance as needed. While the sale is in progress, if your call is not answered, please listen to the voicemail recording of other available numbers to help you. info@hiredhandsoftware.com Jaymie: 319-239-2662, Molly: 319-269-8903

We encourage you to join **Hired Hand's Mobile Marketing List** to receive text updates of all sale prices and buyers, simply text the phrase "website, longhorns" to the number **888-700-8131**. You will receive verification of your sign up if done correctly.

TERMS & CONDITIONS

Terms: Terms of the sale are cash or check to the clerk at the conclusion of the sale. Checks are made payable to the Texoma Spring Sale.

Possession: Immediately after the animal is sold, it will be the sole risk and responsibility of the buyer thereof, but possession cannot be obtained until payment is made.

Bidding: Each animal will be sold to the highest bidder. The consignor may set a reserve bid or bid on the animal themselves.

Bidding Disputes: The auctioneer in charge will settle any disputes as to bids, and his decision on such matters shall be final.

Certification: A certificate of registration will be furnished and transferred to the purchaser on each lot in the sale, exclusive of calves at side. Please provide name, address and the association of your choice when checking out.

Health: All animals are eligible for interstate shipment except as otherwise noted. The cattle have been tested for tuberculosis, Bangs disease within 30 days of the sale date. A health certificate will be furnished.

Guarantee: All Breeders Guarantees are strictly between the individual consignor and the purchaser at the sale. All calves are given to the purchaser free and with no guarantees. The purchaser must look to the seller for fulfillment of all guarantees and representations made hereunder.

Notice: The purchaser must look to the seller for fulfillment of all guarantees and representations made hereunder.

Pedigrees: The seller has furnished the information on the pedigrees of the animals announced.

Announcements: Announcements from the auction block take precedence over printed matter in this catalog. All cattle will be sold by lot-numbers, as announced by the auctioneer.

Liability: All persons who attend this sale do so at their own risk. Texoma Spring Sale nor their representatives nor the Red River Auction Facility nor Bruce McCarty Promotions and anyone else connected with the sale assumes no liability, legal or otherwise, for any accident or loss of life that may occur.

Contract: The above terms and guarantees shall constitute a contract between the buyer and seller of each animal sold.

COMMENTS: OCV'd. Concealed Weapon is one of the most iconic bulls in the Texas Longhorn breed. His production and impact made on this industry is a monetary value that is too high to calculate. This bull has earned his place in the top producing bulls of all time over and over again. Proud to be partnered with Mark and Missy Nowell of Nowell's Hickory Creek Longhorns on this amazing, late bull! COMMENTS: OCV'd. Ironwood Ranch presents IWR Holiday Mist 206 for your consideration at the 2024 Texoma Classic. This big bodied heifer out of Bob Lee BCR, our HSC Champion by Swagger BCB out of HR Slam's Rose who is the dam of Rebel HR and sold for \$80,000, and Evening Mist 903, by JH Rough Country owned by the Randolphs and out of a El Coyote bred female, has proven genetics which will enhance your program. Genetics on the top and bottom bring a history of easy keeping and plenty of milk from well-formed udders. Bob Lee is putting both big bodies on his calves as well as laying down the horns with this maternal line. She measured 40.25" TTT at 13 months. Holiday Mist and sister Misty Rose have both been in the money at futurity events. Don't let this little heifer get away. Millennium Futurity eligible.

COMMENTS: OCV'd. Gorgeous BRINDLE heifer with a highly desirable lateral horn set. Her tips are curved, indicating a developing twist. Tiara is calm, cool, and collected in the pasture and pens. Her pedigree contains legendary producers such as Cowboy Casanova and JP Rio Grande, plus several 90" TTT females. She's off to a great start on her horns - measuring 39.5" TTT at just 14 months. We're only willing to part with her because her dam gave us another pretty heifer in 2023. Don't miss out on your chance to add this sweet heifer to your herd!

BREEDING: Exposed to Blackjack HR from 2/15/24 - sale date.

COMMENTS: OCV'd. SLL Party Hardy has some great genetics in her pedigree. Her sire, Rowdy HR, is a 2-time Ultimate Bull and has a legend of a dam, LLL Rosemary. Party Hardy's dam has over 100" of total horn and has been producing the tip-to-tip. Party Hardy's maternal grandsire is the one and only, Drag Iron. Party Hardy had a TTT of 40" at a year old and has really been putting on the horn. Her updated measurements will be announced at the sale. Party Hardy not only has a great horn measurement but an impressive conformation with a long, straight topline. She has a very easy going temperament and easy to gather and work. If you have been studying the Rowdy/Rebel genetics, you know that this is a mating that has worked very well for our industry. We are doing the same by exposing Party Hardy to Blackjack HR who is a Rebel son. This is a heifer that you do not want to pass up.

COMMENTS: OCV'd. Here is another great milking Rowdy HR daughter. She had a heifer born 9-30-2023 that we are keeping and she will be bred to HL Higher Ground for that magic cross of Rowdy HR and HL Higher Ground. The calf she has this fall will be a 3/4 sibling to the M7 Higher Rowdy girl that Wayne and Joanna Manning sold at Legacy for \$41,000. This is a super smooth heifer from top to bottom and look at her horns already turning out !!

COMMENTS: OCV'd. This heifer is smooth and colored up. She is friendly and an easy keeper. Her dam has been a good producer for me. Her sire is throwing a lot of color and correct calves. Her grandsire, Fifty-Fifty BCB, has sired more 100" females than any other bull. Her top side includes Poco Lady BL and Coach. She is blood test bred to PCC Dark Dust, a son of PCC Dark Knight. He was 76.5" at 24 months. Look up his pedigree. This should be a colorful calf. Holycowlonghorns.com.

COMMENTS: OCV'd. It has been many years since a female with a pedigree like this has left this ranch. This pedigree is the recipe for twist with anything she is crossed with, Overlyn, Overchill and Horseshoe J Example "402" always do the trick. The best part is this young female is bred to Bracewell, the twisty horn son of Reckon So x Dragon Lady. This female will be a lot of fun to watch develop and so will her offspring. COMMENTS: OCV'd. Monroe has a pedigree of who's who. Cowboy Tuff (112" TTT), M Arrow Cha Ching (102" TTT/142" TH), M Arrow Marilyn (96" TTT) her dam, Happy 9 (87" TTT) full brother to Heart Breaker and then you have Norma Rae Leigh one of the longest horned black cows in the breed. The Top Caliber and the Delta Van Horne line. She is big and easy with a very good disposition. She has given us two heifers so we have a replacement growing up beside her right now. She should go over the 80" TTT mark in 2024. The bull that she is exposed back to, Vindicator's Edge (90" TTT), is out of Vindicator and the RRR Miss Diamond cow (93" TTT) that is owned by Ann Gravett. She should reach the upper 90's or maybe that magic 100" TTT at maturity. Her sire, KDK Valiant, has produced many excellent offspring for KDK Longhorns including Miranda's paternal half brother KDK Wildfire. Miranda gave us a bull calf last year with excellent striped brindle color and we have mated her back to Cut'N Dried, who is over 98" TTT, for what should make for another great prospect.

COMMENTS: OCV'd. A true matriarch of the breed, Rio Lezawe EOT 9E3 is royally bred, and produces that way. She is a grand lady, measuring 86.5", and deserves a grand stage like the Texoma Spring Classic. Her sire, JP Rio Grande, is one of the most important and prolific bulls in the breed's history, and exactly the same can be said about her dam, Tabasco's Lezawe - one of the true foundation females of the Bowman's End Of Trail Ranch. This family line is deeply influential throughout the entire breed. She is a great mother and milker, still highly fertile, and keeps her body condition year round. No concerns with this special lady. **BONUS:** We understand she's not youngest cow in the sale, so we are including 2 frozen embryos from her, sired by the great JH Rural Safari Son.

COMMENTS: OCV'd. Here is your chance to buy one of the prettiest cows. Stars and Stripes showcases the type of offspring Helm's Ace produces, but in this case I give the bottom side of her pedigree the lion's share of the credit. That bottom half brings in the 88" Top Caliber and the upper 90" Shadow Jubilee. Those two animals were, for a time, the longest horned bull and cow respectively in the breed. The mating of Top Caliber and Shadow Jubilee produced Pacific Jubilation, who measures 88" TTT on a huge rack of total horn. Stars and Stripes herself measures 88" TTT and will be well over 90" at maturity. Stars and Stripes has a gentle disposition and is easy to work. We are retaining her 2022 heifer who has a huge, correct body and a ton of early horn growth. I will transfer 2 conventional MC Hangin Tuff straws to the winning bidder if she was not bred.

ROUNDUP'S TWENTY GRAND

BREEDING: Exposed to PCC Cactus Jack from 10/15/23 to 12/03/23; Confirmed bred by ultrasound on 1/3/24.

COMMENTS: OCV'd. John's negative; This is a very nice Call Of Duty daughter that is over 75" at 4.1 years old and projects into the high 80's. Both her sire and dam are in their mid-80's. She predictably calves every year and raises a nice calf. The best news is that she is confirmed bred to PCC Cactus Jack (87"TTT @3.1y), the 2023 Herdsman Legends Grand Champion and the 2023 Horn Showcase Ultimate bull. That should be an outcross that produces an outstanding calf in the fall of 2024. Go to www.gillilandranch.com for updated information.

COMMENTS: OCV'd. Trashy Tuff is a beautiful, eye catching Loomis bred cow out of Cowboy Tuff Chex. Her pedigree is flawless and she is a perfect example of the total package. Color, conformation, size and horns. Her disposition is wonderful and she is a terrific mama. We are retaining a Drag Iron daughter and two Buck Winn daughters to ensure we have Trashy Tuff genetics in our program. We will miss this cow!! She is bred GF Buck Winn, a Drag Iron son who is pushing at 90" TTT. Horn measurement to be announced at Sale.

COMMENTS: OCV'd. Thick and brindle describes this friendly cow. Looking at her pedigree, its easy to see where she gets it. There are many greats in here, including Field Of Pearls, Tempter, and WS Jamakizm. Easy fleshing cow that is always first to the feed. She was blood test bred to JH Lightning In A Bottle. He is a son of JH Rural Safari Son and out of a big cow going back to Poco Lady BL. This calf will possess some amazing genetics. More info at holycowlonghorns.com.

COMMENTS: OCV'd. Leila is a wonderful producer of bulls and heifers. She is an easy keeper and passes that on to her offspring. She has good feet and udder. She is easy going. She currently measures over 82". She sells with a beautiful brindle blonde bull calf sired by Trued Up that is a herd sire prospect. Leila is exposed to our young bull, Turn it Loose BCR giving you ECR Houston Tari cow (the dam to True to Tradition). COMMENTS: OCV'd. Cindy Lou Chex is a beautiful brindle and white and is a heifer producer who has had 5 calves for me by 4 different bulls and 4 of them were heifers. She is an eye catcher to everyone entering the pasture and I've had people remark she is their favorite cow of mine. I have a lot of cows so that's a compliment. I love her and will miss her. I can't say anything but good about her - easy to work and pen and a great mom... She last measured 79" TTT - May be over 80" by sale date and may have a calf since she looks heavier bred than 2 months.

COMMENTS: OCV'd. Great cow from the heart of the Rocking H herd. We got this girl and have gotten some nice calf's out of her. She is a lighter milker then some but her calves will keep up with the others. She's a nice big cow and is an easy worker. She had a daughter sell for \$12,500 two years ago. This cow is one that you can get a lot of great color out of and she has been putting on horn since we got her. She broke into the 80's at 5 and then she measured 85-3/4" on 1/6/2024.

She has very nice conformation and great horn shape, it will be fun to watch her calf grow. Calf at side is sired by HL Jango.

COMMENTS: OCV'd. Look at the size of this big bodied female!! She has many greats in her pedigree. On the top side you have Rowdy HR and the Legendary LLL Rosemary cow and on the bottom you have Concealed Weapon, the 100 plus inch Horseshoe J Example cow, WS Midnight, Jamoca, Tari Graves and her dam WS Midnight Rose all wrapped into one animal!!!! She sells bred to Hubbell's Butch Cassidy - this will bring the 100 inch BL Rio Catchit, the 90 plus inch Hubbell's Rioana Van Horne and the 90 plus inch Texana Van Horn all to the calf.

KDK Valiant's Millicent is a beautiful young cow, with tremendous conformation, body, and size. She is super sweet and easy to work. We are retaining her Parker brown heifer as her replacement. Millicent measured over 75" TTT on her 4th birthday with horn tips that are just starting to roll over. But wait, there's more! We have exposed Millicent to our Century 100 son, KDK The Hulk, which brings the rarely offered 113" TTT 3S Danica genetics to her calf!! Updates available at www.kdklonghorns.com.

COMMENTS: OCV'd. You like color and beauty, if you didn't you'd be raising Angus cattle. BW Frosty Lady is a show stopper front pasture cow. She's an easy keeper and raises a great calf and has a beautiful horn set. She is 100% Don Huber breeding. Don has been a quiet breeder of big time cows for a long time and his Reflect Lady family has been one of his best with Reflec Bar selling for \$100,000. She's bred to PCC Rim Rock who's our main herd sire and has been knocking it out of the park for us.

COMMENTS: OCV'd. Silver Ocean (84" TTT) is a large gal, who has thrown very colorful calves. Her dam is a jet black cow out of Mike Casey's program and her sire is PCC Front Runner, who has had offspring sell at the Legacy for over \$30k. She is a beautiful combination of solid genetics from PCC Rim Rock, PCC Horizon, Horseshoe J Feat, Delta Judy and Wiregrass Rosalie. The female side is exceptionally strong. She has been exposed back to two very prominent herd sires in Heart Breaker (90" TTT) and Butch Cassidy (86" TTT) which brings in M Arrow Cha Ching (102" TTT and 142" TH) and the Van Horn line of (90" TTT) generations of females. She's young and should mature into a female that pushes 90" TTT. No flaws so bid in confidence.

BREEDING: Heifer calf at side born 11/19/23 by High Caliber SRC. Exposed to RJF Custom Chrome (Cowboy Tuff Chex X Wiregrass Laura) from 11/19/23 to 3/15/24.

COMMENTS: OCV'd. Barts Grande Belle has been a special cow for us. She has produced both twist and lateral horn depending on the bull you put her with. She passes along her black/Parker brown color to her calves, has had a great udder with every calf, and is an excellent mother. She has very clean maternal genetics that are a great cross on these modern bulls. These genetics are mid-later producing horn growth that will work with early horn genetic bulls. Belle should be right at 80" TTT by sale date. We think highly of Ms. Jezebels production, and this is the first daughter of hers we've offered for sale. Belle has the most beautiful heifer we've probably ever raised at side, by High Caliber SRC, and is bred back to RJF Custom Chrome. Chrome is producing the whole package with horn, color, conformation, and disposition. This is a knockout 3-N-1!

COMMENTS: OCV'd. Johne's negative. This young cow is in the high 70's TTT with a ton of total horn. She produces like clockwork every year and always raises a big healthy calf. Her pedigree combines Cowboy Tuff Chex (106"), CV Cowboy Casanova (86"), JP Rio Grande (81"), WS Jamakizm(81") AND BL Rio Catchit (101"), Helm Laura Light Mocha (96"), Wiregrass Laura (89") and many others. COMMENTS: OCV'd. Have a look at this solid 3 year old. She's double bred Bandera Chex, top and bottom. Her sire is one of the most colorful Fifty-Fifty sons on the market. Whiskey Bent BCB is giving us well balanced, deep bodied calves with wonderful milking ability. This young cow has a heifer at side sired by Black Market C&B, a Vindicator son out of the gorgeous BL Rio Cancan. Black Market's maternal sister measured in at just over 100" TTT. We've exposed her to Justify (PCC Rim Rock x Horseshoe J Justifiable) for a possible 3-in-1 package. Drunk Kitty is calm, easy to work and is doing a good job raising her calf. COMMENTS: OCV'd. Outback Cherry EOT is the kind of cow you think of when you think of a cow you just want to sit in the pasture and look at and enjoy. Her flashy color pattern, twisting horns, and easy going demeanor are eye catching. She has thrown her flashy bald face color pattern on 50% of her calves, and has the best grocery bag udder to feed them out of all of our cows. She loves her babies and is a broody cow. Her genetics are stellar being a direct daughter of Sniper and Boomerbop was a great twisting cow for Debbie Bowman. This is great cow for anyone, she breeds back on time every year, and is ready to produce for you. This is an all around cow you can't find any faults in.
